

Fall STEM Fun Event ,

What is STEM you ask?
Here is what Each Letter Means.

- **S - Science:** Asking questions and doing experiments to learn about nature, animals, space, and our bodies.
- **T - Technology:** Using human-made tools like computers, smartphones, apps, and robots to make life easier.
- **E - Engineering:** Designing and building things like bridges, roller coasters, and machines to solve everyday problems.
- **M - Math:** Using numbers, shapes, and patterns to measure, count, and figure things out.

Date: October 29th ,
When: October 29th at 3:30 pm - 4:30 pm ,
What: We will have four stations with four ,
different STEM related Fall activities. ,

Science	Technology
