- \* We believe that only through the process of open and honest dialogue can we generate knowledge and deepen our mutual understanding.
- \* We believe that all members of the community have a responsibility to behave in a manner that does not harm others and shows respect for those with different opinions.
- \* Behavior that attacks, humiliates, belittles, or conveys personal hatred towards others diminishes our thriving and safe community environment.
- \* Words and actions matter.
- \* Everyone is asked to do their part in creating a healthy and positive community and a culture that truly values each person's uniqueness, experiences and perspectives.
