Dear Parents,

Frequently we receive requests from the military and other agencies for the names, addresses and phone numbers of our students. They use it primarily for recruitment purposes, even though they promise us they will maintain the strictest confidentiality and not use the information to "harass" or aggressively pursue recruits.

Under the No Child Left Behind Act, Section 9528 of the ESEA, we are obligated to provide that information, unless you, parent or legal guardian, indicate otherwise.

If you do not want Three Rivers High School to release this personal information, please print and sign the slip below, and return it to the High School guidance office.

Attention Three Rivers High School:

I hereby request the school not release the name, address or phone number of my child,

Child's Name _____, who is currently enrolled in the

Child's Grade _____, to any requesting military organization or agency.
