Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Andrews Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about accountability, student assessment, and teacher quality. If you have any questions about the AER, please contact Mr. Greg Rutten for assistance.

The AER is available for you to review electronically by visiting the following website: LINK TO DATA, or you may review a copy in the main office at your child's school.

For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

Our school has not been given one of the labels.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

When students enter the district, the location of the home or daycare provider is considered for placement. Whenever possible, students are placed in their neighborhood schools. Other factors that impact placement decisions include

services offered at the school, such as special education, and average class sizes at the time. Requests are also taken into consideration.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Multi-tiered Systems of Support, or MTSS, is a "data-driven, prevention-based framework for improving learning outcomes for all students through a layered continuum of evidence-based practices and systems" (MiBLSi, 2014b) Data is analyzed over time, and decisions regarding goals and strategies are selected, based on best practice research. Annually, we update our school improvement plan to clarify how we are progressing toward our goals, and adjustments are made to reflect needed changes. A copy of the current School Improvement Plan is available for review from the building office.

Andrews Elementary has always strived to be the best it can be and works hard to ensure that every child grows academically. We are an all-inclusive, caring, and experienced staff that always puts what's best for the students first. We have always been proud of who we are and what we do at Andrews Elementary. From Sunrise assemblies twice a week to the Parent-Teacher Organization, Andrews is always moving forward and will continue to do so. "We hope you like it here!"

Sincerely,

Mr. Greg Rutten, Principal
